COURTNEY CRAWFORD

Footwear fanatics are turning the spotlight on New York-based luxury shoe designer Courtney Crawford. Only two-years-old and tagged with just the right amount of Hollywood glamour, Crawford's line speaks the language among fashion's chicest sophisticates. As head designer for Missoni's Spring '07 collection and in an ongoing collaboration with Morgane Le Fay, Crawford will surely take center stage this year. CourtneyCrawford.com.

STEVEN VICTOR, MD

Celebrity dermatologist Dr. Steven Victor has certainly earned his fame. Beyond his claim to numerous skincare breakthroughs — like introducing the first professional peeling formula to the U.S. or bringing Botox to Paris — Dr. Victor has done everything from acting as a consulting dermatologist for Elizabeth Arden to being dubbed “Dr. Lookgood” by *New York Magazine*. M MISSONI

The M Missoni store, located at 426 West Broadway in NYC, is a playful and whimsical reflection of the brand's philosophy. Colorful, light and airy, the sleek interior blends dark-grained oak, oxidized iron fixtures and alabaster walls with bronze mannequins to showcase the collection. Casual, cool and chic, the brand is in hot demand because of its wearability and versatility, and the distinctive patterns and style made famous for over 53 years by its parent line Missoni. The M Missoni brand's bold Italian roots take on a modern twist and offer the chic set multiple new ways to wear one of their favorite designers. M-Missoni.com
