Facelifts without the knife

Times writers try the alternative to surgery times2

So you want to look better but don't fancy the plastic surgeon's knife? **JANE SHILLING** and **LUCIA VAN DER POST** try the alternative — a non-surgical facelift with Botox, fillers and vitamin shots

The smooth operators

Dr Vinter at work on Jane. Facing page, our volunteers compare post-facelift notes

I have a fervent horror of plastic surgery, under which heading I count Botox and the rest of it. So: 'No!' I said. 'No Botox. No Restylane. No silicone'

I came away rejuvenated, without looking silly
